## LOCAL AND GENERAL

On June 11th the Bishop Museum will be open to the public as usual. Judge Whitney has granted a divorce to Maria Chong, who accused Wong Chong of non-support.

Miss Nellie Young of San Diego, Cal., and Ernest Bell of Honolulu will be married June 11th at the Central Union Church.

Scottish Rite Masons will assemble in the Temple this evening at 7:30 for a general business meeting and installation of officers for the Lodge of Perfection and of Rose Croix.

All friends of Kamehameha Preparatory school are cordially invited to attend class day exercises at Bishop memorial chapel on Thursday afternoon at 3 o'clock.

The engagement of Miss Margaret Scott and Richard Hughes of Hawaii has been announced in San Francisco. Miss Scott is the daughter of Mr. and Mrs. J. A. Scott of Hilo and is a graduate of Wellesley.

The members of the local post of the G. A. R. wish to express their thanks to the people of Honolulu for the contributions of flowers for the decoration of the graves of the deceased veterans on Memorial Day.

The closing exercises of the Kamehameha Preparatory School will be held in the Bishop Memorial Chapel at 3 o'clock this afternoon. Parents and friends of the students, as well as others interested, are invited to attend.

The board of land commissioners will hold a public meeting in the senate chamber of the capitol building at 2 o'clock tomorrow afternoon, to consider a number of matters which were deferred at the last meeting, on Monday.

A business meeting of the Scottish Rite Masons will take place at half past seven o'clock this evening in the Masonic Temple at which time officers to serve during the coming year will be installed. A full attendance is requested.

The funeral of the late Walter Pomroy will be held at the Williams' Undertaking parlor at 3 o'clock this afternoon. The Knights of Pythias of the city are requested to be present. He was a member of that organization for a number of years.

A lease has been recorded from T. Brandt of Waimea, Kauai, to the Lihue Ice and Electric Power Co., Ltd., of the premises used by the Waimea Ice and Soda Works, containing 19,716 square feet, for the term of twenty years at an annual rental of \$300.

Charles A. Rice, president, and R. L. Wilcox, treasurer, sign for the lessee.

Mrs. Kate C. Drinkwater, chief clerk of the local anti-tuberculosis bureau, and Fred H. Isakson, son of Col. Curtis F. Isakson, were married last evening at the home of Col. Isakson on Hanager street, James A. Rath performing the ceremony. Following the ceremony the bride and bridegroom left for Mahoe valley, where they will spend their honeymoon.

The circuit court's decision was affirmed by the supreme court yesterday in the suit of the City Mill Company against the owners of a house in the Palolo tract. The lower court held against the plaintiff, on the ground that the property was not correctly described. The plaintiff's exceptions to that ruling were not sustained by the higher tribunal.

A clipping from the New York Herald of May 20 says that banks have been informed that the secretary of the treasury has decided to permit them to substitute Porto Rican Hawaiian and District of Columbia bonds for 2 per cent government bonds as security for deposits of federal funds, providing they use the government bonds so released to secure additional note circulation.

A trip of inspection around the island essayed by the officials of the public works department yesterday terminated near Waianae when the party encountered a stretch of water several hundred feet long, covering the highway. Unable to gauge its depth the engineers did not care to venture into the pond in their big motor car, and turned back to Honolulu, to wait until the high water from the recent rains has subsided.

A partial hearing of the \$10,000 damage suit against the Inter-Island Steam Navigation Company, growing out of the wreck of the barkentine Kikohat near Hilo, November 9th of last year, was heard before U. S. District Judge Dole yesterday afternoon.

The Puget Sound Commercial Company now appears as the owner of the wrecked vessel and plaintiff in the present case. The case was continued for further hearing later in the month.

The supreme court yesterday handed down a decision reversing the judgment of the circuit court and declaring in favor of Michael Braham, an actor who appeared at a local theatre in October of 1911 with an educated dog and later brought suit against the Honolulu Amusement Company for salary alleged to be due him. Braham claims he was employed at a salary of \$150 a week for three weeks, but was dismissed before his contract had expired.

Responsibility for any increase in mosquitoes now rests on the householders of Honolulu. The reduction in the number of mosquito inspectors of the health department, made necessary by the legislature's cut in the appropriation for that department, means that only sufficient inspectors remain on duty to do just what their title implies, "inspect." They will not have time to destroy all mosquito breeding places, and Dr. J. S. B. Pratt says it is "up to" the citizens to see that all such places are kept free from mosquito larvae.

**DIED**  
DE FRIES—At Kaimuki, June 5, 1913, Hattie Kawaiianu Kamakao Kaopua, beloved wife of John H. De Fries of Puuhou, Oahu.

She was the daughter of Gov. S. Kipi and Nihou, his wife; born in Hilo, Hawaii, April 11, 1864.

The remains will be embalmed and moved to Hilo next week.

That's a good object lesson the Trent Trust Co. is mentioning in its ad. Instead of paying rent forever, and never owning your home, pay something down and the balance as if you were paying rent, and you'd soon own your own home.

The window of the Honolulu Photo Supply Co. contains some fine snaps for some people. There are 19 cameras, brand new ones, going for one-third less than usual price. The reason is that the particular models are no longer to be manufactured, and the Photo Supply Co. wants to get rid of those it has.

The Iolani Guild will hold its annual sale on June 10th at Progress block, opposite Sachs building. The laulau table will be in charge of Mrs. Caroline Clark. The cake and candy table will be in charge of Mrs. Arthur Wall, Mrs. J. O. Young, Mrs. Andrew Fuller, and Mrs. Helen Noonan; let table, Mrs. Mary Karsati and the Muumuu table Mrs. Norrie and Mrs. E. The tax receipts for the island of Oahu for the first five months of 1913 will be \$5000 to \$6000 less than for the corresponding period last year, according to the figures in Tax Assessor Wilder's office. The total amount of receipts to May 31 of the present year is \$777,000.35. Out of this amount there may be some refunds to taxpayers who have guaranteed payments by turning into the office more than their actual assessments require. This is a customary occurrence, but until these have been figured out definitely the exact amount of the receipts cannot be told.

The receipts for the same period in 1912 reached an aggregate of \$981,955.44. The decreased income of the territory and county from taxes on Oahu is said to be due chiefly to reduced returns from the plantations.
